If you add this file in the middle of a game saved and want the German national team repaired, you will have to wait until the next instance in which national teams call players. Like & subscribe to our page on Facebook & subscribe to our channel on YouTube! Stamhey, I just wanted to tell you that we have a fb style conversation for our members. Also they are included several sources of communication means such as Sky Deutschland, Kicker, Bild and ESPN. A small pop-up window appears that there is 1 Editor enabled (the number changes depending on how many other custom alloys you have installed). This guide will explain how to get the national German selection call the appropriate German players instead of these false gray players in Football Manager 2014.
